Tonight, a Pete Seeger tribute at Noble Coffee Roasters

SONGBIRD FOR HUMANITY

It's the beauty of her voice and the depth of her lyrics that make a **Lydia Adams Davis** performance so memorable. Peter Yarrow of Peter, Paul and Mary fame has commented, "Lydia combines warmth and magic to bring the long history of country-folk music home to your heart."

Davis delivers captivating musical renditions whether it's her own compositions or those of the great folk masters. She will be paying tribute to the memory of Pete Seeger at Music for Humanity's Friday night show at Noble Coffee Roasters.
